

Ebenezer Snow – Eastham Land Records 1650-1745

Eastham vital records first mention Ebenezer Snow when he married Hope Horton in 1698. The records indicate he died in 1725. He probably was a third generation Eastham resident which would make him the grandson of Nicholas and Constance Hopkins Snow who were one of the founding families of Nauset/Eastham. Ebenezer is an example of a probable third generation Eastham resident receiving significant Eastham land grants.
